Cairns woman to front social media campaign after international love quest

JUST over a year ago a Cairns-based travel writer decided to try a unique method in her quest for love, and a travel companion.

JUST over a year ago a Cairns-based travel writer decided to try find love and a travel companion.

Fiona Harper went online to seek out a “Plus One” for her adventures.

When Canadian photographer David Hartman answered the ad from the yacht he was sailing in Fiji, the pair chatted online before Ms Harper flew out to meet him.

Several months on and the pair are set to become the face of a global social media campaign called Mobile Living Traveler, focusing on their shared world travels.

“As storytellers, David and I are passionate about tracking down interesting stories and capturing wonderful photos from our travels,” she said.

“We’re excited to share our adventures with a global audience of travellers and hope our stories encourage curiosity about our planet, ultimately enticing others to travel.”

They will be among 10 travellers chosen by travel company Dometic to feature in the campaign.
