**Holiday gyms with a view!**

Struggling to keep up your
fitness program when travelling?
Many hotels and resorts just
don't seem to place any
importance on where they locate
the gym or fitness facilities,
dumping them in drab
windowless rooms or in dank
basements.
Then again, others excel.
Placing their gyms, spas and
fitness facilities in prime position,
offering inspiring views while
working out is a big winner.
**Fiona Harper** laced up her
joggers and went in search of
some of the most inspirational
hotel gym locations.
